

MAY 4 2018 COMMITMENT TO EXCELLENCE DINNER

HPAL understands the real superstars are in the communities where we live, work, and play. Without them, our communities would not offer the things we enjoy and love.

We are proud to keep the rich history of accomplishment by Harrisburg area citizens alive and at the forefront of today's youth. Please join us in recognizing our honorees in an evening of fellowship, and helping to support the programs of the Harrisburg Police Athletic League.
